

AUDIO TAPE INDEX FORM

Interviewee: Bill McAloon

Interviewer: Eugene Herubin

Interview Date: January 30, 2007

Summary description of tape contents:

Bill McAloon is interviewed on January 30, 2007 by Eugene Herubin about his experiences sturgeon fishing. McAloon primarily fishes on Wolf River, but also on Lake Winnebago. McAloon discussed his experiences as a youth when it was common for people to fish sturgeon out of the river, as well as the shift in legality of these methods as well as local mindset regarding such practices. Tape recording ends abruptly and early in interview.
